G. EMPLOYER CERTIFICATION

I agree and attest that:

- My business will offer HealthPass medical coverage to every eligible full-time employee and age, sex or health status cannot be used to determine employee eligibility.
- An eligible employee must be defined as one that works no less than 20 hours per week and my business must have at least one (1) such eligible employee.
- Part-time employees (working under 20 hours per week), temporary employees, employees working outside of the US, household help, and retirees are not eligible for coverage through HealthPass. Other exclusions may apply.
- 20% of the total eligible employees must enroll with a HealthPass medical plan. 75% of eligible employees must elect to participate in HealthPass medical coverage or have other credible health insurance coverage.
- The HealthPass coverage area is New York, New Jersey, Connecticut, and Bucks County, PA. If 75% or less of the eligible employees live outside of the coverage area, then all out-of-coverage area employees can be covered through HealthPass. If more than 75% of the eligible employees live outside of the coverage area, they must be considered ineligible for the group to participate. Specific restrictions on plan availability by carrier may apply.
- This application has been completed with accurate information and has in no way has any information been misrepresented, falsely provided, or reinforced by false documentation that has been presented. Any person who, knowingly and with intent to defraud any insurance company or other person, files an application for insurance or state department of claim containing any materially false information, or conceals for the purpose of misleading, information concerning any fact material there to, commits a fraudulent insurance act, which is a crime, and shall also be subject to civil penalty not to exceed \$5,000 and the stated value of the claim for each such violation plus the amount of the claim on individuals who commit fraudulent insurance acts. Additionally, the State has the right to levy a civil fine of up to \$1,000 for possession of a fraudulent health insurance identification card and up to \$5,000 for each addition card possessed.

Please refer to our Eligibility Guidelines for more detailed information.

H. MEDICARE SECONDARY PAYER

The Medicare Secondary Payer (MSP) provisions apply to situations when Medicare is not the primary payer. If your company has employed 19 or fewer employees in the current or preceding year, Medicare is almost always primary. If your company has employed 20 or more employees in the current or preceding year, Medicare is almost always secondary. In the case where an employer has 19 or fewer employees and is part of a multi-employer group health plan (e.g. HealthPass) then Medicare is by default the secondary payer to the group health plan (GHP).

Participating employers with HealthPass that certify they have 19 or fewer employees, and have enrolling employees age 65 or older, must file for the MSP Small Employer Exception Certification. The exception means the employer is not held to the MSP rules governing multi-employer group health plans and Medicare will be the primary payer of Medicare Part A claims for any employee that is a working-aged Medicare beneficiary.

For purposes of this calculation both full-time and part-time employees are counted toward the 20 employee threshold. Self-employed individuals participating in a GHP are not counted as employees for purposes of determining if the 20 or more employee requirement is met. The 20 employee or more requirement is met if the employer employed 20 or more employees for each working day in each of 20 or more calendar weeks in the current or preceding year. Note that the 20 weeks do not have to be consecutive. An employer is considered to have 20 or more employees for each working day of a particular week if the employer has at least 20 full and/or part-time employees on its employment rolls each working day of that week.

My group size per Medicare standards:* _____

If your answer is 20 or more, no further action needs to be taken. If your answer is 19 or fewer and you have at least one enrolling employee age 65+, you must complete and sign the MSP Small Employer Exception Certification (www.healthpassny.com/forms) and return it with this application.
